

# Swiss Biotech Directory

2021

Media data for the most comprehensive compendium  
of the Swiss biotech industry

## About the Swiss Biotech Association

Founded in 1998, the Swiss Biotech Association represents the interests of the Swiss biotech industry. To support its members in a competitive market, the Swiss Biotech Association works to secure favorable framework conditions and facilitate access to talents, novel technologies and financial resources. To strengthen and promote the Swiss biotech industry, the Swiss Biotech Association collaborates with numerous partners and life science clusters globally under the brand

## The Swiss Biotech Directory

The Swiss Biotech Directory is the most comprehensive database for the biotech industry in Switzerland. Its data quality is controlled and companies can enlist their basic data for free. The directory is financed by advertising.

### Print version

The printed Swiss Biotech Directory with a circulation of 4,000 copies provides a yearly, handy overview of Swiss companies active in biotechnology and related fields on around 120 pages. It is distributed throughout the year by direct mailings, at national and international biotech conferences, exhibitions & events, to interested parties, to our members and partners.

### Online version

The **digital Swiss Biotech Directory** with detailed biotech company information is embedded in our [swissbiotech.org](http://swissbiotech.org) website and enables targeted filtering. Advertisers of the print version achieve even more reach as the printed directory, including all ads, is **prominently promoted for download** throughout the year. The current directory web pages have around 240,000 page views. The [swissbiotech.org](http://swissbiotech.org) website a total of around 127,000 users and 360,000 page views per year.
